Dear Randall Koch,

Thank you for your very generous gift to the Intrepid Fallen Heroes Fund. We very much appreciate your sharing in our mission to support the men and women of the Armed Forces and their families.

Since inception the Intrepid Fallen Heroes Fund has provided close to \$20 million in support for families of military personnel lost in service to our nation and has designed and built a \$50 million advanced physical rehabilitation facility for wounded service members and veterans called the [Center for the Intrepid](#). This Center opened in January, 2007 and is located at Brooke Army Medical Center in San Antonio, Texas.

The Intrepid Fallen Heroes Fund is currently building a traumatic brain injury treatment and research facility dedicated to supporting our wounded warriors. Many of our troops suffer from TBI, from mild to severe, and these injuries sometimes do not manifest themselves for months or even years. The President has referred to TBI as the signature wound of the current conflict. The \$60 million [National Intrepid Center of Excellence \(NICoE\)](#) for research, diagnosis and treatment of TBI will concentrate the Armed Forces efforts in addressing this daunting challenge.

100% of your contribution to the Intrepid Fallen Heroes Fund will go to its programming; no administrative costs will be deducted. If you have any questions regarding your donation please contact us at [info@fallenheroesfund.org](mailto:info@fallenheroesfund.org) or call 1-800-340-HERO (4976).

Again, thank you for your kindness and generosity. We are grateful for your thoughtfulness and for your remembering our service members and their families.
